Phone: 386-345-3522
Fax: 386-345-1834

Dear prospective business owner,

Thank you for your interest in doing business in the City of Oak Hill. When applying for an occupational license there are certain requirements you will need:

1. Fill out an application with the City of Oak Hill.
2. Proof of liability insurance.
3. Workers compensation or have workers compensation exemption.
4. Fill out an application for Volusia County.

If you are planning on operating your business in an existing building, there are also certain requirements that must be met.

1. A fire inspection of the building.
2. Obtain a septic approval permit.

Included are some phone numbers of business services that can assist you in meeting the above requirements.
